Why us?

Our reputation is your guarantee

Our services are approved by our long term partners - the leading world credit insurers (Euler Hermes, Atradius, Credendo Group (Credimundi, Ducreire, Kupeg, Garant), Sinasure, KEIC and many others).

Geography

Our highly skilled staff in 12 own offices and more than 50 reliable partners worldwide provide you with the information you need, according to the international standards. IGK AG, a German company, is the main shareholder of all IGK companies. The central administrative & operations office of the group is located in Latvia, Riga.

Knowledge. Experience. Methodology.

As the most experienced and technologically advanced company in our field with more than 130 employees worldwide we ensure the high-level of the provided services.

History

Through 1993-2007 years IGK had been in a joint-venture with Coface group. In 2007 IGK had separated from Coface group and became one of the leaders in credit management market.

Credit information. Credit risk insurance. Legal services & Debt recovery.
